Metal Choices

White Lustrium®

This Jostens exclusive metal blend is a durable and affordable silver-toned metal.

SunCast™

Let your light shine. SunCast is a 23K layered gold coating applied over a White Lustrium base ring.

Silver Elite®

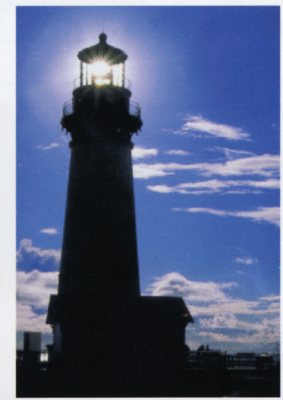

A Jostens proprietary metal. A bright white luster primarily composed of silver with elements of precious metals, including palladium, and rhodium plating for durability and shine.

Solaris Elite™

Our patent-pending yellow blend metal is a combination of precious metals, including silver and non-precious metals to create a beautiful, brilliant and durable solid metal.

10K Yellow or White Gold

Nothing stands the test of time like gold. Its durability ensures lasting value over time.

Lighthouse Christian Academy applauds you on your achievement. May the Lord continue to bless you in all your future endeavors.

There is no better way to remember your high school years than with a Lighthouse Christian Academy class ring. LCA has chosen Jostens as their exclusive supplier of class rings.

The ring design will carry the LCA logo on one side, personalized with your graduation year or your name. The second side will be the ACE logo with your graduation year or your name.
