Division of Accelerated Christian Education Ministries

We appreciate the commitment and dedication your family has shown toward Lighthouse Christian Academy and the A.C.E. program. LCA would like to reward your faithfulness. Your family may earn credit toward the cost of annual administration fees. Do you know families who have expressed a desire to start homeschooling their children or are considering a change in their educational needs? **Lighthouse Christian Academy will credit your LCA account \$100 for each new family who subsequently enrolls because of your direct recommendation.** This credit is to be used toward the price of your annual administration fees.

## Referral Terms and Conditions

- The referring family must have a student actively enrolled in the academy and return Part A to inform LCA of the referral and to enable the academy **to credit the account \$100.**
- The new family must include Part B with the LCA Application.
- There is no limit on the number of families you may refer.
- The referral family will be notified in writing of credit received when the referred family enrolls with the academy.
- The referred families must apply within 90 days of LCA's receipt of Part A.
- The referred/applying family will receive **\$50 credit** upon enrolling in LCA to be used toward administration fees when including Part B with the application.
- The family referral program is not applicable to students in the LCA Dual Enrollment Program.
