We have reviewed this application and, to the best of our knowledge, all information provided is complete and accurate.

We understand and agree that a school year is considered to be 12 months, beginning on the date enrollment is completed and ending either 12 months later or when the student has completed all curriculum assigned (maximum of 72 PACEs) for the school year, whichever comes first.

We understand and agree that switching and adding curriculum is not available after 30 days from enrollment/reenrollment date. There will be a $25 fee plus materials cost for switching grade levels. This will provide a 3-month extension to complete and turn in the material. If a student has not turned in the material by the end of this extension, the student's status will be changed to inactive, and an additional fee will be assessed for processing grades on an inactive account.
